Clearing the Clutter for Good Feng Shui

By Mary Lambert, published by Friedman/Fairfax, copyright 2001

This slim volume includes colorful pictures and clear ideas on every page.

Mary Lambert discusses each room and area of your home illuminating problems, suggesting changes and presenting specific organizing methods and storage solutions.

Purses, briefcases and wallets collect clutter too. Ms. Lambert presents brief, clear methods for handling the junk within personal items we use every day. An organized briefcase or handbag and wallet can only be good. You may even find enough change for the parking meter.
